

This is me

Hello everyone! My name is Tidarat Gamyamburee. You can call me Nan. I'm 18 years old. I was born in Bangkok, but I was raised in Samutprakan. I am a freshman in Bangkok University. I'm studying Computer and Robotics Engineering.

My personality

I think I am a **helpful and generous** person because I like to help others when they need some help.

My friends told me I am a **funny person**. They like spend time with me.

I am a **dog person**. It doesn't mean that I don't like cat. I just prefer dogs more than cats.

I like **sliver color** because this color is between black and white. It looks shiny and outstanding. I like this color so much.
